

CHEZ DOMINIQUE

We have introduced new measures to help keep everyone safe, please have read of the following, thank you.

- If you feel comfortable we ask you continue to wear a face covering whilst in the restaurant; except when seated at your table.
- Please use the hand sanitiser that is provided on arrival and before using the bathroom.
- Contact details are required for all bookings, these are stored on a secure reservation system. Personal data will only be used for contacting you with regards to your booking or by NHS Test and Trace. The QR code is still available to scan on arrival.
- We do have to be quite strict on our 1 hour 45 minute allocation per table, to allow us to clean the tables and chairs etc before our next customers.
- Cleaning, hand washing and hygiene procedures are in line with guidance.
- Doors and windows are open to provide good ventilation.
- We are offering a slightly different menu to usual a copy of which can be found on our website or in the restaurant window. Our menu offering and opening times are changing from 1st September. We will offer our set price menu at lunchtimes and then an à la carte menu in the evening. Opening Monday to Saturday 12-3 and 5-9.30pm, Sunday 12-3 and 5-9pm.

We look forward to welcoming you!
